## LATE TELEGRAMS.

### The Crown Prince of Siam.

London, April 26.—The Crown Prince of Siam has arrived at Vienna, and was welcomed at the station by the Emperor and the Archduke, and conducted with military honours to the palace.

April 27.—The Austrian Crown Prince has been entertained by the King of Siam and party.

April 29.—The Crown Prince of Siam has proceeded to Buda Pesth. The Emperor accompanied him to the station.

### Anti-British Feeling in Russia.

April 26.—M. Plehve, the Russian Minister for the Interior, has gone to St. Petersburg in 1901. The inhabitants are protesting the "Far to withdraw them. 500 to 1,000 are emigrating weekly.

Letters from Finland show that the resistance to the new Conscription Law is general, and almost the only conscription complying are cripples and others medically unfit.

### Affairs in Afghanistan.

Bombay, April 26.—The Peace of India leaves from the frontier that the Mullah Sayed Akbar with three hundred followers, has returned to Kandahar from his visit to Kabul. The Mullah was much perturbed, it is reported, to find that the British had gone to Peshawar to the Viceregal Durbar.

It is said that the Amir of Afghanistan, having discovered that some of the individuals who took advantage of the Mullah's visit to establish themselves in Kandahar, were not actual tribal leaders, proposes to depose them with their families to Turkistan. The actual headmen, leaders of the particular tribes in question, have since appeared in Kabul and petitioned the Amir to allow their names to be again entered in the official registers, whence they had been removed during the administration of Amir Abdur Rahman. So far they have received no reply.

The troops of the Amir continue to petition for their wages, which they are promised will be paid as soon as the new Code of Laws has been finally arranged.

M. R. W. MITCHELL, Chemist, Bury, England, writes: Mrs. Hartley, an elderly lady, of 25, Eldon Street, was taken ill about Christmas time with dyspepsia, followed by diarrhoea and general breakdown; in fact, she could not walk more than a few yards and feared the worst was coming. On the recommendation of friends, she commenced taking Serravallo's Wine of Cod Liver Oil and derived much benefit from the first bottle that she continued, and to-day visited my store and purchased the sixth bottle, having entirely recovered her customary good health. Wholesale from A. S. Watson & Co., Ltd., Hongkong.

**EDITORIAL COMMENT.**Our readers will be pleased  
to learn that the remarks  
we made a fortnight ago  
with regard to the food  
supply of the Colony are beginning to  
bear fruit. In our last article we  
wrote:—"It will be a step in the right  
direction if the Government here were  
to insist that all compradores dealing  
with Europeans must use only English  
weights and measures, that coals must  
be weighed on delivery, and that the  
police should co-operate with house-  
holders in procuring the conviction and  
punishment of criminal compradores." We  
understand that the first of these  
suggestions is being acted upon, and we  
hope to be able to report ere long that  
the Government has decided upon a  
definite line of action with regard to  
the others. The compradores have  
accepted the suggestion that they should  
use English weights and measures. Un-  
fortunately, however, there is not in the  
Colony a supply of scales and weights  
sufficient to meet a tenth part of the  
demand; but we believe orders have  
been forwarded through the proper  
business channels for the immediate  
supply of scales, &c. The authorities,  
we understand, have persuaded the  
market compradores to revert to some  
of the old charges for perishable goods,  
and next week we hope to be able to  
publish the revised market price list,  
signed by Inspector McEwen, with  
some other innovations likely to be of  
service to housewives.**LOCAL AND GENERAL.****Amateur Golf Championship.**A London telegram dated 2nd inst.  
reports that in the final for the Amateur  
Golf Championship, Mr. Hutchins, Royal  
Liverpool, beat Mr. S. H. Fry, Royal  
Surrey, by one up. Mr. Fry is the am-  
ateur golf champion. The winner of  
the amateur golf championship for the two  
previous years was Mr. H. H. Hilton, Royal  
Liverpool, who last year defeated Mr. J.  
Loe at St. Andrews.**Disinfecting Pigs in Hongkong.**In the House of Commons on the 16th  
ult., Mr. Weir asked the Secretary of State  
for the Colonies, in view of the fact that  
pigs dying of disease at Hongkong are  
disinterred and used as food, would he state  
whether the authorities in the colony have  
taken any steps to enforce the destruction  
by fire of the carcasses of all pigs which are  
unfit for human food. Mr. Chamberlain:  
An incinerator was sent to the colony last  
August, so that the carcasses of pigs to which  
the Honourable Member refers can now be  
cremated.**Poul Play at Football.**Judge Tenple, at the Middlesbrough  
County Court, heard an action, a few weeks  
ago, believed to be unique in the annals of  
the game of football. C. Rule, boiler fire-  
man, Grimsby-street, South Wales, sued J.  
Gardner, of Grangeview, to recover £50  
for personal injuries, loss of time, and ex-  
penses caused, it was alleged, by Plaintiff,  
whilst playing a friendly game of football.Rule, it was stated, was playing forward  
on the one side, and was getting the better  
of Gardner, who was playing back on the  
other side, when the latter threatened him,  
saying, "If you come that again I'll fettle  
you." This led to Gardner being cautioned  
by the referee. Later, Gardner, it was  
alleged, took a running jump at Rule, who,  
in consequence, was badly injured. Gar-  
dner was ordered off the field, and the game  
stopped. As the result of the injuries, Rule  
was unconscious for some 60 hours. For the  
defence, it was contended that all Gar-  
dner did was to legitimately use his weight,  
and that he did not wilfully injure Rule.The Judge entered judgment for  
Plaintiff for the full amount claimed. He  
observed that in playing football all little  
knocks received were not to be looked upon  
as assaults, but for one player to rush at  
another and strike him in the stomach was  
not football. Defendant might have had  
to answer a charge of manslaughter.**CONSUMPTION.****WHICH** is the most dangerous and fatal  
disease, has as its first indication a  
persistent cough, and if properly treated as  
soon as this cough appears is easily cured.

provisionally and subject to His Majesty's

tain Superintendent of Police, to be an  
official member of the Legislative Council  
until further notice.We regret to hear (says the *L. and C.*)  
*Express* that the health of Mr. Thos. Scott  
has not improved so much as his friends  
would have desired since his return to  
England from Singapore. It is hoped with  
the milder weather that should now be ex-  
perienced that Mr. Scott will quite recover  
his health.The name of Mr. Rockhill, formerly  
Special Commissioner in China, is stated to  
be under consideration in connection with  
the post of United States Minister to China  
which Mr. Conger will shortly vacate. Mr.  
John Barrett, formerly U.S. Minister to  
Siam, is also mentioned in this connection,  
but we imagine Mr. Rockhill's claims will  
be considered superior.**Building Collapses in Hongkong.**The unwearied by wearying Weir asked  
the following question in the House of  
Commons on the 8th April:—Will the  
Secretary of State for the Colonies state  
the number of persons killed in the autumn of  
last year through the collapse of a house in  
Cochran-street, Hongkong, the cause of  
the collapse, the name of the owner of the  
house, the names of the builder and archi-  
tect; and whether any compensation has  
been paid to the widows, orphans, or  
dependents of the persons killed. Mr.  
Chamberlain: Forty-three persons lost  
their lives through the accident in question,  
which was largely due to defects of con-  
struction. The owners and builder of the  
house were Chitamen, and their names  
have not been reported. The architect of  
the recent structural alterations was a Mr.  
Hazeland. I am not aware whether or not  
any compensation has been given to the  
families or dependents of the deceased.**HAIR PRESERVED & BEAUTIFIED.**The only reliable preserver and restorer of the  
hair is *WATKINS' Macassar Oil*, which deeply  
penetrates the oily matter nature provides for  
nourishing and stimulating its growth, without  
which the hair becomes dry, thin and brittle.  
It prevents baldness and keeps the scalp cool,  
and for children it lays the foundation of a  
luxuriant growth. Also in a golden colour for  
fair and golden-haired ladies and children. Ask  
Sole and Chemists for *WATKINS' Macassar Oil*,  
of Batten Garden, London.**LOCAL AND GENERAL.****The Sir Charles Ross Rifle.**It is announced at Ottawa that Lord  
Roberts has ordered the Sir Charles Ross  
rifle to be tested with a view to its intro-  
duction into the British Army.**Destruction of Trees.**It is notified in the *Gazette* that an  
additional rate of 4 per cent per annum, to  
take effect from the 12th May, has been  
ordered to be levied on the villagers of Tai  
Hang in consequence of the destruction of  
trees in that place and its neighbourhood.**Whit Monday at the Post Office.**Monday next, the 19th inst., being a  
public holiday, the Post Office will be open  
from 7 to 11.30 a.m. only to despatch the  
outgoing French Mail for Europe. Corres-  
pondence for local delivery may be posted  
up to 9 a.m. The Night Box will be kept  
open. The Money Order Office will be en-  
tirely closed.**Stamp Revenue.**The April return of Stamp Revenue  
shows a decrease of \$4,933.53 as compared  
with the same month last year. The item  
Conveyance or Assignment is responsible  
for a decrease of \$1,806.45 and transfer of  
shares for a decrease of \$4,133.00. Pro-  
bate, or Letters of Administration shows an  
increase of \$3,253. The total income for  
the month is \$38,770.24.**Naval Notes.**The Admiralty have accepted the  
tender of Messrs. Harland and Wolff, of  
Belfast, for the engines and boilers of the  
battleship *King Edward VII*. The price  
is stated to be \$185,000. The same firm is  
manufacturing the machinery of the  
battleship *Queen*, also at Devonport, for  
\$150,000. The engines for *King Edward VII*  
are to be delivered by October, 1903. The  
rest of the battleship *Barclay* will be com-  
pleted at Devonport, is to be com-  
pleted by March next, at a cost estimated  
at \$32,000.**To Subscribers.**We have received complaints from the  
Eastern District of the City with regard to  
the late delivery of the *China Mail* for  
several nights recently. We are also in-  
formed that our copies have been solicited  
'cushaws' from subscribers. It should  
be understood distinctly by our subscribers  
that our delivery copies have no right to  
demand 'cushaws,' and we will esteem it  
a favour should the offence be repeated, if  
subscribers will inform us of it at once.  
During the ensuing week, an effort will be  
made to deliver the newspaper to subscrib-  
ers within a reasonable hour after going to  
press.**Postage Rates in China.**The following remarks are made edi-  
torially in the *L. and C. Express* of the  
18th ult.:—We may commend the  
wisdom of the postal authorities in Hong-  
kong in recognising the British Postal  
Agency at Shanghai as a branch of the  
Hongkong office, and thus entitled to the  
same rates of postage as at Hongkong.  
Consequently Shanghai can mail its letters  
by British post-office at 4 cents the 1/2 oz.,  
or penny postage, just as in the British  
colony. It would seem, however, that this  
only applies home-wards. If you post here  
you have to put on 2 1/2d., just the same as  
to any other port in China. It certainly  
seems curious that the anomaly should be  
thus, and that two rates should prevail for  
either collection or delivery, according to  
which end of the two places you post from.**Tottis Limited.**At first glance the designation of this  
newly registered Company was a little mis-  
leading, and we were tempted to think  
there was no end to the various uses to  
which limited liability could be adapted.  
But the business is a commonplace one as  
the following will show:—Registered April  
7th, with a capital of £1,000, in £1 shares,  
to acquire the business carried on by J. H.  
Tottis, at 15, St. Ann's Street, Manchester,  
as J. H. Tottis and Co., and to carry on the  
business of house-hold and general  
furnishings, decorators' and furnishers',  
contractors, etc. No initial public issue.  
The number of directors is not to be less  
than 2 nor more than 5; the first are J. H.  
Tottis, Frank A. Mabbott and Henry F.  
Russell; remuneration as fixed by the Com-  
pany.**Water Polo.**Last night, a water polo match was  
played at Kowloon between the V. R. C.  
and the Royal Welch Fusiliers. Both were  
well represented, the teams being as  
follows:—V.R.C.—Goal, C. Whitney; backs, J.  
Doodson and J. Andrews; half-back, A.  
Monk; forwards, T. Roberts, C. Gregory  
and C. Cotton.V.R.C.—Goal, H. A. Lummet; backs,  
A. Loureiro and C. Alves; half-back, F.  
Jorge; forwards, F. D. Bain, C. P. Heav-  
land, and A. Humphreys (captain).Mr. F. W. White was the referee. Mr.  
H. M. Bain time keeper; and Messrs J.  
Mackie and E. Holland line-men.Both teams played well, but the com-  
munion of the V.R.C. was superior, and  
they soon asserted their superiority after  
being in the water a few minutes. Goals  
were scored for the Club by Herbert (2),  
Bain (2) and Loureiro (2). The scores for  
the Fusiliers were Monk and Gregory.The result, therefore, was a win for the  
Club by 6 goals to 2.**LOCAL AND GENERAL.****Hongkong Christian Union.**Monday next being Bank Holiday,  
there will be no prayer meeting.**Hongkong Declared Infected.**The Colonial Secretary courteously in-  
forms us that a wire has been received  
from Singapore stating that Hongkong has  
been declared infected with infectious  
disease and that the usual restrictions are  
imposed.**Plague Returns.**The latest plague returns show that a  
total of 103 cases have occurred this year  
up to date. Five Chinese cases were not-  
ified during the day ended noon to-day. One  
corpse was dumped opposite No. 34, Gough  
Street, and another body was found floating  
in the Harbour. A case came from the  
steamer *Kwang Tung*. The remaining two  
cases occurred at No. 45, First Street and  
No. 3, On Ning Lane. At this date last  
year, the cases numbered 500 and the  
epidemic was rapidly mounting to its  
height.**Barnes' Entertainers.**Last night, a large audience greeted  
Barnes' Twentieth Century Entertainers  
on their re-appearance at the Theatre  
Royal. The few days' rest seemed to have  
had a beneficial effect on all the members  
of the Company. Madame Freed was in  
excellent voice, and rendered 'Only me'  
in a manner which brought down the  
house. Miss Rosa Barnes made another  
decided hit with her illustrated songs.  
The remainder of the Company were good.  
The moving pictures portraying scenes  
from the famous Dreyfus trial were by far  
the best that have been seen in Hongkong  
and gave a clear idea of the startling inci-  
dents that occurred before, during and after  
the trial. The performance is to be repeat-  
ed this evening, with additional songs.**Death of Mr T. Rawson Ker.**We regret to learn (says the *Singapore  
Free Press* of the 6th inst.) that a telegram  
received to-day by Messrs. Paterson Sim-  
ons and Co. states that Mr. T. Rawson  
Ker, who left here on April 4 on the P.  
and O. *Oriental* on his way home on  
furlough died in London yesterday. The  
news came as a great shock to Mr. Ker's  
very wide circle of friends, both here and  
in Johore. Mr. Ker was the son of Mr.  
W. W. Ker, a well known and respected  
resident of Singapore who was in the firm  
of Ker, Rawson which later became Pat-  
erson Simons and Co. Deceased when a  
young fellow came out here joining Pat-  
erson Simons and Co. Later he got the  
chance of succeeding Mr. H. Dentley as  
Postmaster General of Johore and he held  
that office up till the time of his death. He  
was a favourite with all and became one of  
the Sultan's chief European advisers. He  
obtained leave in March and was going  
home on furlough, being when he left  
apparently in the very best of health. Mr.  
Ker, who never married, was liked and  
respected by a very large number of friends  
who will deeply regret his untimely de-  
cease. Mr. J. Campbell Ker, his brother,  
is now on his way out and will arrive here  
with H. H. the Sultan on May 30. An-  
other brother died a few years ago. Mr.  
Rawson Ker had received from the Sultan  
the order S.M.A.**Memorial to Mr W. Macchell**A meeting of Old Boys of Queen's  
College was held yesterday afternoon in the  
Common Room of the College to consider  
a proposed Memorial to the late Mr.  
Macchell. Mr. E. Ralphs presided, and  
there was a very good attendance. It was  
decided to form a Fund to be invested, the  
interest each year to provide a 'Macchell  
Memorial Prize' offered to non-Chinese  
pupils in the 1st Class. If no non-Chinese  
pupil comes up to a certain standard of  
efficiency, the prize will be awarded to a  
Chinese pupil of the Senior Class, provid-  
ed he attain the requisite standard. The  
Macchell Memorial Prize, it is intended,  
shall take the form of books which will be  
substantially bound and bear a suitable in-  
scription. The money collected will be  
deposited to three Trustees. The following  
Committee was elected:—Mr. Wright, Mr.  
C. D. Silas, Mr. J. Daves, Mr. Kwa Mu  
Fong, Mr. R. Pestonji, and Mr. H. A.  
Scott. Mr. Fooker, who was elected Hon.  
Secretary, and Mr. Ralphs, Hon. Secretary,  
are ex-officio members of the Committee.It was decided not to limit the subscrip-  
tions to Old Boys only, as various friends  
of Mr. Macchell have already expressed a  
wish to subscribe. Mr. Macchell took an  
active interest in many local concerns, be-  
ing for many years an ardent football  
player, acting as Hon. Secretary of the  
Victoria Recreation Club, and holding a  
commission in the Hongkong Volunteer  
Corps. Unfortunately, many who were in-  
imate with him have left the Colony, but  
should this paragraph meet their eye  
they may accept it as an invitation to for-  
ward their subscriptions to Mr. Ralphs or  
ourselves. In due course, we will publish  
a list of the subscriptions. The object is a  
worthy one, and we hope Mr. Macchell's  
former pupils for whom he did so much,  
will be liberal subscribers.**BLOCKISTS****SHOULD** never start out without a bottle

that nothing has occurred during the de-  
liberations of the Boers in the field which  
can be considered as favourable to an early  
cessation of hostilities, and the public is  
warned against counting on an early peace.**HONGKONG SHARE REPORT.**In their weekly share report, dated 16th  
May, Messrs. Benjamin, Kelly and Potts  
write:—**Banks.**—Hongkong and Shanghai Banks  
have been negotiated at \$50, and there  
are further buyers at the price. The Lon-  
don quotation remains unchanged at \$33.

keep firm at \$350. China Firms have  
changed hands at \$80, and more shares are  
offering.**Shipping.**—Hongkong, Canton and Macao  
Steamboats are asked for at \$35, but

China have further strengthened their
